

# Reach New Heights With A Financially Strong & Stable Insurance Carrier

National Interstate is a leading provider of specialty insurance with a focus on unique targeted buyers including Crane, Rigging and Specialized Carriers. Established in 1989, National Interstate brings value to its partner customers through innovative captive and traditional products, exceptional service, aggressive claims handling, and proactive risk management services. National Interstate is rated "A" (Excellent) IX by A.M. Best Company, is admitted in all 50 states, and proud to be recognized by Forbes as one of America's Most Trustworthy Companies.

When it comes to purchasing insurance to protect your operation, you need a financially strong and stable carrier who understands the unique needs of your operation:

- \* Dedicated customer service and expert underwriting
- \* Superior claims handling provided by in-house adjustors
- \* Proactive risk management programs
- \* Comprehensive menu of coverages including: Auto liability, General Liability, Workers' Compensation, Auto Physical Damage, Motor Truck Cargo, Property and Excess
- \* Traditional first-dollar coverage, deductible and captive options
- \* Variety of payment options including interest-free installment plans
